We have audited the accompanying financial statements of HUD Project No. 085-EH-152-NP-WDD-L8 of Rainbow Village II, Inc. (Corporation), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, changes in net assets (deficit), and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rainbow Village II, Inc. as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters – Other Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The financial data schedules and other supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements. The financial data schedules and other supplemental schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. The accompanying supplemental information is presented for purposes of additional analysis as required by the *Uniform Financial Reporting Standards* issued by the U.S. Department of Housing and Urban Development, and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, financial data schedules and other supplemental schedules are fairly stated, in all material respects, in relation to the financial statements as a whole.

Notes to Financial Statements

Note 1 – Nature of Operations and Summary of Significant Accounting Policies

General

Rainbow Village II, Inc. (Corporation) is a Missouri Not-For-Profit Corporation organized for the purpose of providing safe, decent, and sanitary low-cost housing facilities to individuals that are intellectually and developmentally disabled. The Corporation consists of four individual group homes located in St. Louis County, Missouri. Tenants receive federal assistance as provided under Section 8 of the United States National Housing Act of 1937, as amended.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board. Per the applicable standards, Rainbow Village II, Inc. is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. A description of the net asset classes follows:

Net assets without donor restrictions represent the portion of net assets of Rainbow Village II, Inc. that is not subject to donor-imposed restrictions. Net assets without donor restrictions include expendable funds available for the support of the Corporation. Board designated net assets are net assets without donor restrictions with self-imposed designations by action of the governing board.

Net assets with donor restrictions represent contributions and other inflows of assets whose use by Rainbow Village II, Inc. is limited by donor-imposed stipulations that either expire by passage of time, can be fulfilled and removed by actions of Rainbow Village II, Inc. pursuant to those stipulations, or net assets that must be held in perpetuity.

As of December 31, 2021 and 2020, all of the net assets of the Corporation are considered to be net assets without donor restrictions.

Cash and Cash Equivalents

For the statement of cash flows, all unrestricted investments with the original maturities of three months or less are cash equivalents. As of December 31, 2021 and 2020, cash consists of an operating checking account. As of December 31, 2021 and 2020, there were no cash equivalents.

Statement of Cash Flows – Restricted Cash

In November 2016, FASB issued Accounting Standards Update No. 2016-18 (ASU 2016-18) which amends the presentation of amounts generally described as restricted cash on the statement of cash flows. These restricted amounts are now required to be included with cash when reconciling the beginning and end of year total amounts. The amendments in ASU 2016-18 do not provide a definition of restricted cash. However, management has determined all restricted deposits and tenant deposits held in trust are considered restricted cash, based upon restrictions of use of funds imposed by HUD. The amendments in ASU 2016-18 are required to be applied using a retrospective transition method to each period presented in the financial statements.

The following table provides a reconciliation of cash and restricted cash reported within the statements of financial position that sum to the total of the same amounts shown in the statements of cash flows.

	<u>2021</u>	<u>2020</u>
Cash	\$ 1,872	\$ 3,308
Cash-entity	40,602	716
Tenant deposits held in trust	4,582	3,854
Replacement reserve	79,071	48,977
Other reserves	-	25,232
Residual receipts	<u>7,939</u>	<u>7,937</u>
	<u>\$ 134,066</u>	<u>\$ 90,024</u>

Tenant Security Deposits

Tenant security deposits are maintained in a separate interest-bearing bank account in the name of the Corporation.

Restricted Deposits and Funded Reserves

Restricted deposits and funded reserves consist of funds required to be set aside by all projects insured under the Regulatory Agreement.

Property and Equipment

Expenditures for property and equipment and items, which substantially increase the useful lives of existing assets, are capitalized at cost. The Corporation provides for depreciation on the straight-line method at rates designated to depreciate the costs of assets over estimated useful lives.

Assets, which are retired or otherwise disposed of, are removed at cost and the related accumulated depreciation is removed from the statement of financial position, and any resulting gain or loss is recognized in the period of the disposal. The cost of maintenance and repairs is expensed as incurred, while significant renewals and betterments are capitalized.

Rainbow Village II, Inc.
HUD Project No. 085-EH-152-NP-WDD-L8

Debt Issuance Costs

Debt issuance costs in the original amount of \$2,954 are being amortized over the life of the loan. Amortization of debt issuance costs included in interest expense during the years ended December 31, 2021 and 2020 was \$295 and \$295, respectively. Accumulated amortization as of December 31, 2021 was \$812 and \$517, respectively.

Amortization of debt issuance costs over the next five years is as follows:

2022	\$ 295
2023	295
2024	295
2025	295
2026	295
Thereafter	<u>667</u>
	<u>\$ 2,142</u>

Income Taxes

The Corporation qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code; therefore, no provision for income taxes is recognized in the financial statements. It is exempt from income taxes under the provisions of Section 501(a) of the Code.

In the event the Corporation was to lose its tax exempt status, income tax expense for the tax reporting entity would include federal and state taxes currently payable and deferred taxes arising from temporary differences between income for financial reporting and income tax purposes. No such differences existed as of December 31, 2021 and 2020.

The Corporation adopted the standard for *Accounting for Uncertainty in Income Taxes*. The entity recognizes a tax benefit only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax benefit is recorded. Federal and state tax authorities (if applicable) generally have the right to examine and audit the previous three years of tax returns filed.

Property Taxes

The Corporation is exempt from real and personal property taxes. Accordingly, no provision for property taxes has been recognized in the accompanying financial statements.

Accounting for the Impairment or Disposal of Long-Lived Assets

Accounting for the Impairment or Disposal of Long-Lived Assets, requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Accounting for the Impairment of Long-Lived Assets has not materially affected the Corporation's reported earnings, financial condition or cash flows.

Rainbow Village II, Inc.
HUD Project No. 085-EH-152-NP-WDD-L8

Basis of Accounting

The financial statements of the Corporation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Revenue and Cost Recognition

Revenues are recognized when earned and costs are expensed when incurred.

Risks and Uncertainties

The Corporation is subject to various risks and uncertainties in the ordinary course of business that could have adverse impacts on its operating results and financial condition. Future operations could be affected by changes in the economy or other conditions in the geographical area where the property is located or by changes in federal low-income housing subsidies or the demand for such housing.

Note 2 - Promissory Note Payable

On April 25, 2019, the Corporation entered into a line of credit agreement collateralized by land and seven group homes, as evidenced in a \$380,000 promissory note payable to Montgomery Bank. The note has an annual interest rate of 5.16% and matures on July 26, 2028. As of December 31, 2021 and 2020, \$341,759 and \$289,270, respectively, remained payable.

Note 3 – Management Agreement and Related Party Transactions

The Corporation entered into a management agreement with Rainbow Village Properties, a related party to the Corporation. The agreement, which is effective May 1, 2019 through April 30, 2020, allows for a management fee of \$36.82 per unit per month. During the year ended December 31, 2020, the Company renewed the management agreement with Rainbow Village Properties on May 1, 2020. The agreement, which expires on April 30, 2021, allows for a management fee of \$36.82 per unit per month. During the year ended December 31, 2021, the Company renewed the management agreement with Rainbow Village Properties on May 1, 2021. The agreement, which expires on April 30, 2022, allows for a management fee of \$45 per unit per month. During the years ended December 31, 2021 and 2020, \$6,966 and \$6,185, respectively, of management fees were incurred and paid.

As per the construction agreement, the management company allowed an additional management fee for managing the construction project. During the years December 31, 2021 and 2020, \$0 and \$12,424 was earned and paid for managing the construction project.

Rainbow Village II, Inc.
HUD Project No. 085-EH-152-NP-WDD-L8

Note 4 – Functional Expenses

The functional expenses are as follows:

<u>Description</u>	<u>2021</u>	<u>2020</u>
Management and general	\$ 46,015	\$ 61,077
Program services – housing	<u>161,257</u>	<u>167,998</u>
	<u>\$ 207,272</u>	<u>\$ 229,075</u>

Note 5 – Current Vulnerability Due To Certain Concentrations

The Corporation's sole asset is four individual group homes. The Corporation's operations are concentrated in the multifamily real estate market. In addition, the Corporation operates in a heavily regulated environment. The operations of the Corporation are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

Note 6 – Concentration of Credit Risk

The Corporation may at times maintain cash balances in financial institutions in excess of the federally insured limits of \$250,000. Corporation management monitors the financial ratings of such financial institutions and believes the risk of loss is minimal.

Note 7 – Potential Contingent Liability

On June 19, 2015 HUD issued a communication to owners of Section 202 and 811 projects with project assistance contracts requiring a residual receipts recapture. Unlike the previous recapture rules of residual receipts, this recapture requires direct payment to HUD for excess amounts in the residual receipts fund exceeding \$250 per unit. Management believes this ruling is more likely than not to be approved. Therefore, as of December 31, 2021 and 2020 a current liability of \$4,439 and \$4,437 representing excess project funds has been recorded, respectively.

Note 8 – Subsequent Events

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the

Rainbow Village II, Inc.
HUD Project No. 085-EH-152-NP-WDD-L8

accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Corporation through March 22, 2022, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
